

Covid-19 Booking Terms

Are you looking to book a VW Camper or Land Rover hire in 2022? Isle of Wight Campervan Holidays will continue to follow Government Guidelines regarding our operating procedures and when we can be open, we will be ready to welcome you to Camper HQ.

Our Covid booking terms are as follows - We will ask you for a £100 deposit for your 2 / 3 or 4 night hire and a £200 deposit for a week's hire. If you are unable to come for your hire due to Covid restrictions or if you are required to self-isolate, then we will transfer your deposit to a new hire period, even if the deferral occurs on the day of hire. In simple terms, your deposit will be turned into a voucher for your future use.

We will be asking for hire balances to be paid 14 days prior to arrival unless we feel that another lockdown is imminent. In this case, we will wait to take the balance upon your arrival. If you have paid your balance at any point or within the 14 day required period and you are unable to come for Covid reasons, we can either refund the balance payment or transfer the funds to new dates. We may ask for proof of a Covid test if you defer at short notice citing self-isolation requirements, but we think that is a fair request in return for our flexibility.

If you have booked a ferry through us, as long as we have 24 hours' notice, we can transfer the ticket to new dates or request a refund without penalty.

We are fair and flexible but most importantly, we want you to book with confidence.

If you have any questions regarding a VW Camper or Land Rover hire in 2022 or beyond, please do not hesitate to call us on 01983 642143.
